could) build an admiring following as you recite your way up Stevensons Road (excluding the writer, of course). As amply displayed in the previous paragraphs, it's the start of the silly season – year, the winter harrier programme is on us once again. No more slogging our way through those awful summer days of constant sunshine and high temperatures; no more walking the dog on Tomahawk beach in the late evenings; no more barbeques. Look forward to brisk days of overcast skies, southerly winds and horizontal sleet. Welcome back everyone, it will be good to greet you again. Lets get into it – now, let me see, ... I wondered lonely as a cloud ...???
