More FM Clyde to Alexandra Road Races

18 August 2007

The day was fine and cool to start with a few drops of rain as the race progressed. Once again it was good to see members doing well in their age groups with some competitors recording PB's It was a little disappointing that the numbers of walkers was a lot less than previous years, but encouraging to see our Walkers doing well in the results.

Port Road Races

Logan Park 22 September 2007

Some excellent Caversham results were achieved at the Port Chalmers Road Races held on September 22nd in cool windy conditions.

Lyndon Brown was 1st runner home in the Boys U 19 4.5k in a time of 16 minutes, while Daniel Balchin 4th and Tony Payne 5th assured Caversham of the teams title. Tony took fastest time honours by 1 second from Lyndon recording 15.59. Tony also received the Denver Trophy for the men 19 and under aggregate on the Otago Road Championships and the Port Road races. These results are further confirmation of a great winter season for Caversham Junior Runners.

Marion Maxwell provided the highlight for Caversham in the 12k Senior Port Chalmers to Dunedin race. Running off a handicap of 23min 45sec. Marion was first in the Open Women with a time of 50min 7 seconds and was also first among the competing Masters Women. This performance comes two weeks after Marion placed first in the Masters Section of the Moro Half Marathon bettering her best time by 2 minutes with 1.26.52. Kerry Rowley who finished 7th in 55min 18sec, and Claire Giles in her first Port Road race 9th in 57min 8secs were the other contributors to Caversham finishing 2nd in the teams race with 17pts.

Caversham took second place in the Nickells Challenge Cup awarded to the club achieving the best team aggregate for the men's 10k handicap road race and the Port Chalmers to Dunedin Road Race with 62 points. This placing confirms a consistent series of results achieved by Club Members over the latter part of the winter season.

During the after race awards for the Port Road Races a presentation was made to Caversham Life Member Pat Sidon for his outstanding record in the Edmund Cup Steeplechase which was run for the 100th time on September 1. Pat first competed in

the Edmund Cup as a Junior in 1949 and won the race 11 times between 1954 and 1967.

New Zealand Road Relays Championships

Timaru 6 October 2007

The day dawned sunny, cool, and a very strong wind in places. The event was well organized especially having to deal with a large number of entries, 122 teams entered. The parking set aside for the teams at the change over points was very good as farmers had allowed the support vans/cars to park on their paddocks. The teams on the first outward legs had very strong gusty north west winds to contend with. Then on the other hand the legs from leg 5 onwards had less or no wind to contend with but at times when the wind dropped right away it got very hot. All the Cavy teams did us proud. One of the disappointing things was the length of time it took for the Prize Giving.
