

LOVELOCK RELAY RACES. May 3rd 1975

We had four Women's Teams in this first inter-club event for the year, in a field of fifteen. VICE PRESIDENTS' RACES, FORBURY 17th May 1975 :

The weather was fine, the track was firm, and the running was of a good standard. Perhaps some of the handicapping was a bit generous or tough, depending on which way you looked at it, but everyone seemed to give of their best.
