POOR SPORTSMANSHIP

Lets hope the show of poor sportsmanship that was evident on the day of the Holloway Cup will not continue throughout the winter season.

It is good Club Spirit to support all groups, winners and losers alike. Too often in the past we have seen groups whose own race has finished, disappear, giving no support to the rest of the meeting.

If you are one of these people, please think again about your selfish attitude. It is no excuse to complain about the cold, you should come prepared.

Think of the magnificent job our officials do each race day. They are there the start to finish, so if they are prepared to give their full support - - - so can you. This attitude of "I'm all right Jack", should have no place in athletics.

It is up to the senior members of each group to see that a good example is set, so what about a better effort of TEAM support for the rest of the season.

Joe Cowie

P.S. Parent, what about some of you coming to support your own children and showing some interest.

RESULTS OF LION BREWERIES TELEVISED CROSS COUNTRY 17/4/77

Three Club members competed in this event held over a course at the Kaikorai Valley School on Sunday 17th April.

The race was won by E. Robertson in 19 minutes 43.8 seconds.

Cu members were:

2.	S. Melville	19.53
16.	R. Thurlow	22.05
27.	J. Law	23.13

The Lovelock Relay teams ran a little disappointingly. The No. 1 mens team looked very good on paper, but a slow time in the early part of the race, made it very difficult to make up the leeway, the team finished 2nd to a good Mornington Club team. It was pleasing to see the Mornington Club, in its Jubilee Year, win the trophy for the first time, also annex the Sealed Handicap Trophy with its No. 2 team and score a 3rd placing in the womens relay.

The times of the Caversham teams are :-

## EDMOND CUP RACES.

Conditions underfoot were far from good at Wingatui for the Edmond Cup Races on June 25th. when over 160 runners faced the starter. A surprise winner of the Classic came from the Caversham Club when our Club Captain, Allan Thurlow, raced away from Euan Robertson, the Olympic representative, to win by 17 secs. with J. Sheddan, (Olympic, Chch), fairly well back in 3rd. place. Gaylene Duncan also scored a win in the girls under 14 event and Margaret Ashton, Ross Thurlow and Colin Dobson were placed in their events.

The only win in a teams race was in the Sealed Handicap in the under 20 mens event and a second in the actual placings, a second in the main Cup race and a second in the Junior Womens race.

his running and was always interested.

A team from the Club competed in the Skellerup Steeples in Christchurch, but were unplaced in the teams race, won by Canterbury University. Our men were :- S. Melville 18., G. Anderson 25., K. Dowland 38., L. Dey 56., and M. Stevens 65. A. Thurlow, owing to a bout of suspected virus infection, did not compete. There were 254 runners entered for the main event. In the Junior Mens event over 5,000 metres, our sole representative, Ross Thurlow, finished in 3rd. place in a field of 54.

With our main men competing at Christchurch, the Club Cross Country Championships were not the class field of former years. However, there was a good tussle between R. Dowland and J. Law for the honours in the senior event. The results were :-

The Club expresses its regret that some of the younger members were left at Surrey St. when transport to the Otago Cross Country Championships at Tirohanga was in short supply. This shortage seems to apply when the Club is required to travel south, there being a number of cars in the Mosgiel, Fairfield and Green Island districts to augment the Dunedin drivers if and when the Club travels north. If some parents of the younger members offered to transport members, their services would be gratefully accepted.

It was disappointing for the Club when it entered 67 runners for the different grades and 38 failed to face the starter. Owing to the transport problem, some of the younger girls did arrive, but were too late to participate in their race. However, Caversham won the teams race in the mens under 18 and was second in the Senior men and Junior boys events. Splendid wins were gained by Ross Thurlow, (Junior men) Colin Dobson, (Colts under 18) and Gaylene Duncan, (Girls under 14) also Allan Thurlow ran a good 2nd. in the Senior men and Donald Cowie was 3rd. in the Colts under 18 events.
