Women's Coast Relay

On Sunday August 29th, the 10th Coast Relay for Women was run from Evansdale to Merton with a field of 16 teams, - a far cry from the inaugural race in 1973 when only 4 teams took part, one each from Mornington, Caversham, Eastern Districts and St. Pauls (Invercargill) Clubs. That first Caversham team was a very youthful group, all members being between the ages of 11 to 16 years ! They were Glenda Gregory, Christine and Paula Baskett, Sharon, Margaret and Janice Ashton. (The following year familiar names like Cain, Olsen, and Logie start appearing). 14 year old Paula Baskett, now Mrs. Graham, was the only member of the original team to run in the 10th anniversary race and this was acknowledged by the Eastern Districts Club with a small presentation. Participation in the event by teams from the New Brighton (Christchurch) Club has provided added interest. Over the years several Caversham girls have gained fastest lap times and set records, and this year was no exception. There was also a men's race held this year, with 3 Caversham members participation. Ian Hutchens finished 2nd, Bill Baskett 6th (1st Veteran) and Ken Fahey 8th, in a field of 19.
