OTAGO CROSS COUNTRY CHAMPIONSHIPS (21 JULY)

In what the Mid Weeker Newspaper described as "appalling underfoot conditions and dismal weather" the hardy and the strong from the Club put on many very good personal efforts. Neill Gaudin finished second behind Greg Cameron (Hill City) with Chip Dunkley third. Hill City with 26 points too out the teams event.

In the Womens event Marguerite Buist (Otago University) came first.

CITY OF DUNEDIN MARATHON (29 JULY)

Results from this Marathon have at last arrived. Just in case memories have faded; Mike Tomlin (Ariki) won the event in 2 hr. 32 m. 40 s. A strong easterly headwind made progress difficult all the way down the Westside Harbour. It was a cold morning so special congratulations go to the three club members who completed the full marathon and also to Pat Sidon for leading in the half marathoners from our club.

Placings and times were as follows:

PORT CHALMERS ROAD RACES (18 AUGUST)

This handicap event was held on a warm Spring day, in conditions that were ideal for runners and spectators alike. The Senior Men's event was won by Alister Dowdall (Civil Service) who, running off a handicap of eleven minutes became the first member of his Club for forty six years to win this race. Fastest time went to Mike Hurring (Ariki) in 38 m 28s. Neill Gaudin (Caversham) had the fourth fastest time in 40m 55s.

The Senior Women's section was won by Sarah Haines (Leith) in 48m 55s. Sue Cameron 49m 46s and Jenny Hughes 50m 5s were third and fifth fastest respectively. The best team placing on the day was third, by the Senior Women. Good performances were put up by some of the junior runners in their events. Full results are as follows:

COAST ROAD RELAY 26 AUGUST

Congratulations go to all the members of the Club's Women's No. 1 team who once again proved victorious in this event. The relay, organised by the Eastern Districts Harrier Club is held on the old coast road between Evansdale and Merton.

Caversham No.1's winning margin built up over the middle and latter portions of the race to be an impressive 1 minute 53 seconds at the end. Leith No. 1 were second and Ariki were third. The early competitor from Ariki faded as Fiona Green, Frances Brown and Jenny Hughes each took out fastest times in their laps. Each of the other team members were second fastest in their laps.

In the B Grade, Leith No. 2 were first, Hill City No. 1 second and Caversham No. 2 third. Notably, Nicola Hollands took third fastest time on Lap 3.

A grand afternoon tea and successful prize giving rounded off a meritorious day for the Club.

Team results, in running order, were as follows:

No. 1 (A Grade)

1	H. Willis	8.11 (2)
2	S. Cameron	11.37 (2)
3	F. Green	6.56 (1)

CLYDE-ALEXANDRA ROAD RACE (1 SEPTEMBER)

All Club members who travelled to Alexandra on the first Saturday of September certainly enjoyed their day. The weather was beautiful and the hospitality provided after the races, was very good. From the Club's point of view, Club Captain Neil Gaudin continued the splendid form he has shown all this season by finishing second in the Senior open race to Mike Hurring (Ariki). Andrew Green finished a very creditable third in the Junior Boy's Race. Next year we will really have to look at making a real club outing for this event, with a bus for the day at the very least.

(JOHN STINSON)

Full results will be included in the October Newsletter (Editor).

PENINSULA RELAY (8 Sept)

Six teams from the club enjoyed the competition of this relay in blustery and cold conditions.

Perhaps the highlight of the day was the first place gained by the Men's No 3 team. Credit goes to Allan Copping and Larry Greene for holding it together when the pressure was on over the final two laps, after the team moved into first place soon after Macandrew Bay. Chauvinism had little to do with Larry's run over that final lap, as the University runner Janine Howarth closed the gap to that slender nine seconds. None the less, it was a good all round team effort on the day, an exciting finish and a win that the whole club was able to share.

Other highlights included Stu Melville's new record on lap 5 and loss of the record time on lap 8 to Paul Allison (Ariki), some fine individual performances in the Men's No 1 team and that team's third placing in the fastest time section.

Children's Section Athletics

As many club members are unaware of our Clubs Children's Section it was decided to include something about them in this newsletter.

The Children's Section is open to children from the age of 7 - 13 years as at 1 October 1984. Club members who have children in this age group are invited to join.

nts which they may take part in include track, long jump, shot Put, Discus and for the older children high jump as well.

An active group of parents runs the Children's Section and this system seems to be working quite well. We have three level one coaches in attendance most nights. Otago interprovincial teams are selected in all age groups and last year the Club had fourteen representatives.

The registration night is Tuesday 16 October, 6 - 7 pm, and the opening night will be Tuesday 23 October, 6 - 7.30 pm, at the Corstorphine Ground. Inter club meetings are held every Saturday morning 10 - 12 noon.

We look forward to seeing some new club members in the Children's Section, this 1984 - 85 season.

EDITOR'S THANKS

My thanks go to those members who have contributed to this and recent newsletters.

In particular my thanks go to Club Handicapper David Jackson who every month has presented me with neatly written lists of results for Club and Centre Races. Without this, my job would have been considerably more time consuming.

I trust the monthly newsletters have kept members up to date with results and other facets of club life.

Don't forget the Club A G M Tuesday next, 9 October at 7.30 pm.

Until our next newsletter, enjoy your running!

Ken Fahey
