

OTAGO HILL RUNNERS ASSOCIATION EVENTS

Several club members took part in events organised by O.H.R.A. recently. The Great Waipori Foot Race was held in February for the first time, following the Berwick Forest Walkway from Mahinerangi. Some competitors including Colin Dick and Phil Coakes lost their way in the bush due to vandalised markers. No problems were experienced in March when the Second Annual Three Peaks was run over a more familiar course above North Dunedin, with dry underfoot conditions and a strong tail wind helping to reduce times. Fiona Green was notably first woman home in this event.

LOVELOCK RELAYS (4 MAY)

Nine Caversham teams competed in the Lovelock Relay Races on a day which was fine, with first class track conditions.

Honours go perhaps to the Men's No. 1 team with their second placing, eleven seconds behind the winning Hill City team. The Mean's Veteran team performed very creditably as well.

The results below are unofficial but are probably as accurate as the official ones:

VICE-PRESIDENTS' RACES (11 MAY) 85

The north Taieri course was again used for these races which were run in ideal weather conditions. Jack Cain showed that there was life still left in the old war horse when he won the Men's 5000m in great style. Alison Jones bettered her last year's time to win the Women's 3000m.
