

TED BROWN MEMORIAL CUP RACES (19 April)

These were held in good weather conditions but on a soft track race times were a lot slower than last year. The winners of the three main races: Sally Bouman, Michael Bardwell and Andrew Christie, all earned their victories with very good runs. Adjusted times are listed below.

LOVELOCK RELAYS (3 May)

Again times were down, due to the soft track and extra length, at about 50m. The no. 1 men's team provided some excitement with their chase after the leaders during the middle of the race to finish a good second.

The times below are unofficial, with the no. 1 team's time taken from the newspaper, but are probably as accurate as the official ones.
